- 1. In House Breeding's:** Dam must be in good health. We promise to treat your Dam like one of our own. She will be kept in our home in a climate-controlled room/kennel separate from our Stud until bred. She will be exercised, played with, and pampered. We will make every effort to make sure your Dam will feel comfortable during her stay. Also, you will need to provide her food during her stay with us.
- 2. Litter Registration:** The litter registration will be signed by the Dam owner after the puppies are born. We also require that all puppies be sold on limited registration except the puppies you keep and register yourself unless there is a written agreement between Stud owner and Dam owner for Full registration. If no pregnancy results, a return service will be given to the same Dam on her next heat cycle, and to male if available. If the above stud is not available, the kennel may substitute an equally nice male of their choosing. Stud owner needs to be notified withing one week after the puppy's due date, if no pregnancy results, you are eligible for the free return service. No cash refund will be given if no pregnancy either time.
